Hi Denise,

I just dropped off the 120-Day letters at the reception desk. Ronna and I worked on these last week and they went through our division signature chain today. Attached are the electronic copies of the letters. Let me know if you would also like electronic copies of the TSDs, but these are still constantly being revised by headquarters.

We have not yet received the official okay to sign from Janet. We are expecting it at our 1pm work group call tomorrow. We will let you know whatever is said at the call regarding the letters or if we hear anything sooner.

Let me know if there is anything else you need.

Thanks,

Sarah
